Welcome to The Wyo-Missing Player's Club

Where to start? Since our last edition of the newsletter we have had an influx of new members. We LOVE it!!! So in no special order please give a warm wyo-welcome to all our new members when you see them....

We also had some changes in our team here at the center. We had to say goodbye to Mr. Sparkles and Duffman. Good luck out there guys! ~V~ is also afc (away from center) but will return when justice needs to be served.

What Happened???

In December we had our Rudolph's Hawaiian Vacation and it was a blast. Nearly 50 ppl were here for it and we capped the night off a 32 person Chess game. The limbo contest went very well with the smaller participants having an advantage. The bar (noodle) was

only 5" from the floor when we finished the contest.

Also in December, Fren-Z returned to the number 1 spot on our Member's Ranking board. Carny received the most improved player award for December. Give it up for them. whoo whoo

What's Happening!!
